### **Greetings Venice on the Bay Neighbors!**

We are pleased to bring this issue of our newsletter to you. Our inaugural issue was very well received. And our plan continues; we will send out this newsletter out monthly by email. We continue to grow our list of residents and their contact information so that all can be included. Please forward this on to a neighbor ... and if they haven't already received it, have them get in touch with me or any board member with their contact information and we will happily add them to our list!

### **President's Message      John Clark**

In lieu of a message from our President, I am going to take this opportunity to introduce him so that those who don't know him, will get a quick idea of who he is and what he does for the community. Each month I plan to highlight a different member of the Board. It makes perfect sense to start with John.

John has lived here for 20 years. He lives with his lovely wife Bunnie and two very cute dogs, Foxy and Baron. He's currently retired after a long career in sales and advertising. John has been President since 2013 and during his tenure, has concentrated on our community property improvement including the hall, beach and boat ramp. The hall, in particular has seen great improvement in recent years. John supports the community events and is at many of them. As President, he is responsible for the continuity of the board as all members are elected for a finite period of time. Should any of you be interested in joining the Board, elections are held in June. In the meantime, please volunteer with one of our current board members. It's a great way to help out and at the same time, get to know your neighbors!

**Community News**

Work continues on our Constitution and By Laws Committee, which was formed to revise Venice Civic Association's Constitution and By-Laws. The committee, chaired by Greg Caroots, includes Neal Anders and John and Bunnie Clark. They plan to submit a draft to the community by email for community approval.

The Board approved the reopening of the Hall with a 25 person limit. New forms have been drafted and approved to protect the community from liability and a new requirement for disinfection after each use has been included. If you need more information about renting, contact Lisa Szybist at lszybist@yahoo.com.

The Board has also approved Food Trucks visiting us. A committee was formed to make it happen...thanks to Megan Karcher, Nikki Novak and Lisa Szybist for a very quick turnaround! Our first Truck visited on October 19<sup>th</sup> and we've already had 4 visit us. A very robust schedule is in place! You ladies rock!
