**Greetings Venice on the Bay Neighbors!**

Happy March to all!

### **President's Message**

Good March Everyone!

I am sure everyone is looking forward to spring arriving. We are hopeful that everyone in the very near future can get vaccinated. As of this message Maryland has only 9% of the population have received at least the first COVID vaccination. Let's do our part so we can return to normal soon.

The March 8, 2021 meeting is important. Our Board Development Committee, chaired by Jana Naylor, will be announcing what officer and board positions need to be filled for the 2021-2022 fiscal year. We will be meeting by ZOOM. Please join us at 7PM Monday.

The Venice Civic Association has actively worked to maintain community owned properties and provide events that we can all enjoy. Food trucks. Beach cookouts. PotLuck Christmas party. I urge neighbors to get involved. The end of the summer and fall will bring back all those activities we used to be able to

Again, please get vaccinated so we can stop the spread of COVID19.
